Dear Bill,

I would like to take this opportunity to thank you and your team for the assistance you provided us in our successful search for the right buyer for Sentral. This process was entirely new to us and there's no question that we would not have been successful without your involvement.

You took the time to learn about our company, our history, and our objectives, and led us to a number of highly qualified and interested groups, allowing us to secure the best possible outcome for everyone involved in a very difficult and uncertain economic time. We are excited about our future with our new ownership team.

Not only were you and your team thorough and professional throughout this process, but you were respectful of our time and our need to remain focused on running the business.

On behalf of the Spayer family and everyone at Sentral, thanks again for everything you've done for us over the last few months.

Sincerely,

A handwritten signature in blue ink that reads "Bill".
