To Whom It May Concern -

Please find this as a Letter of Recommendation and endorsement for Promontory Point Capital. Working with Promontory Point to sell our business was an exceptional experience from start to finish. From identifying the ideal buyers to negotiating favorable terms and navigating complex due diligence, they were proactive, responsive, and deeply committed to our success. Both Bill and Mike consistently anticipated challenges, communicated clearly and timely, and delivered results beyond our expectations. Thanks to their expertise, we were able to maximize value and close the deal in a timely fashion. I would highly recommend Promontory Point to anyone seeking a trusted advisor to sell their business.

I would be happy to speak with any group that is contemplating using Promontory Point Capital for any assignment.

Sincerely,
